Dear Ms. Lewis:

I am writing in response to your letter dated March 16, 2007 regarding the 12 Day Pre-General Report (10/1/06 - 10/18/06).

There were no expenditures made on behalf of Federal candidates, including those made for catering and fundraising that you identified on Schedule B. All expenditures were incurred for the Committee's operations.

I hope this information adequately addresses your concerns. Thank you.

Sincerely,
